- Lady Lea Road – pothole & raised drain reported. Case reference number FS-Case-564718586.
- Amber Valley Borough Council have confirmed they will empty the replacement litter bin located on the Village Green.
- Letter sent to Derbyshire County Council requesting that Lower Kilburn be included in any formal investigation and urgent priority is given to the replacement of gypsy bridge. Case reference number FS-Case-565109996.
- Concerns have been raised with Derbyshire County Council regarding the resurfacing works which have been taking place at The Triangle. The following response has been received: There have been some issues with this site and the micro asphalt that has been laid has unfortunately failed. This is something we are aware of and are looking into rectifying the problem as soon as possible.
- Confirmation has been received from the Kilburn, Denby and Horsley Carnival that due to new legislation and a reduction in committee numbers, it has been decided to cancel the carnival which was due to be held on Sunday 9 June 2024.

Resolved: This information is received.

23/162 Planning

PDR/2023/0051 – Horsley Hall, Smalley Mill Road, Horsley, Derby, Derbyshire

Application to determine if prior approval is required for a proposed forestry agricultural storage building.

COMMENT: Horsley Parish Council wish to make the following comments regarding this application:

1. The Parish Council strongly supports the observations/comments already submitted by local residents.
2. The whole of the land of Horsley Hall (including the field where the proposed building would be built) is in the Horsley Conservation Area.
3. The building of a building such as a storage barn in a Conservation Area would set a precedent for further development. This would have a devastating effect on the landscape.
4. No trees should be felled within the Conservation Area, as to do so would change the landscape forever.
5. There would be a highways issue due to the lack of adequate infrastructure to allow vehicular access to the location.
6. Horsley Hall is a private residence with no farming activity taking place.
7. Noise pollution is also of great concern.

Withdrawn

PDR/2023/0032 – Horsley Park Farm, Sandy Lane, Coxbench, Derby, Derbyshire, DE21 5BJ

Application to determine if prior approval is required for proposed change of use of stone barn to C3 residential dwelling.

23/163 Reports from Representatives

Dog Fouling

Reports of dog fouling have been received in Lower Kilburn. Councillor Pykett to make enquiries for suitable locations for signage to be installed.

Flooding

Councillor S Pykett provided an update on the recent flooding which is still an ongoing concern.

Footpaths

The footpaths are wet and muddy. Councillor Holden to check on the stile by the dog kennels.

Road Signs

Coxbench Road. The flood notice sign is still at the side of the road.

The road sign for Derby Road (underneath the A38 bridge) is still loose and tilted to one side.

23/163 Reports from Representatives (continued)

Trees

An update has been received from the tree inspection at Derbyshire County Council regarding the tree located on Church Street.

Agreed: The Clerk to forward the information to County Councillor T Ainsworth for further investigation.

Village Hall

There are currently vacancies for one or two regular slots, these have been advertised. December has seen quite a few cancellations for parties, mainly illness or change of family circumstances. A sum of £10,000 has been paid off the PWLB, meaning the figure has been reduced from £75,000 to just over £20,000. Emma Crooks is working hard as treasurer and doing an excellent job. There is a new sign outside the hall which will be easier for people to see from the road. Margaret, Cherry Pinion and Jane decorated the hall for Christmas.
